

About Sedera

Who is Sedera?

- **Sedera is the medical cost sharing component of the SALA Healthcare Program to be used for unexpected, ongoing and major medical events (illness, injury, etc.).** Sedera is a community sharing approach to managing health care costs.

Medical Cost Sharing is a rapidly growing alternative to group health insurance. It has a 30-year history and, industry-wide, has over a million members with over a billion dollars in sharing across the communities. To participate in Sedera through the SALA Healthcare Program, you must also enroll in one of the two Minimum Essential Coverage (MEC) plans provided by Apex.

Key Terms:

- **Medical Cost Sharing:** A membership-based non-insurance agreement established for the purpose of sharing legitimate medical expenses between members.
- **Initial Unshareable Amount (IUA):** The specified financial amount (in dollars) that members are required to carry on their own prior to any amount that may be eligible for sharing.
- **Need:** A medical expense that exceeds the member's Initial Unshareable Amount (IUA) caused by an injury or illness to an eligible member or participating dependent.
- Additional key terms can be found in the Sedera Access Membership Guidelines document (below)

Additional Services:

- **Teladoc:** Teladoc is the first and largest provider of telehealth medical consults in the United States, giving you 24/7/365 access to quality medical care through phone and video consults.
- **2nd.MD:** In order to ensure that members receive the most up-to-date and effective medical treatment available, Sedera requires its members to utilize "2nd.MD," the nation's premier second opinion program, prior to undergoing elective surgeries.
